

Minutes of the Soil Stabilisation Task Group Promotions Committee Meeting held at Buxton, on Monday 21st May 2007

Present: Steve Foster SF British Lime Association (Chairman)
Jonathan Earle JE Buxton Lime Industries (observer)
Hedley Greaves HG Buxton Lime Industries
David Jones DJ Britpave

Apologies: None

1 Minutes of previous meeting

Minutes agreed as full and correct.

SF advised the committee of the disappointing response to the call for volunteers to join the committee. A further call for volunteers is to be made at the Main Committee meeting.

2 Website - www.soilstabilisation.org.uk

The Committee have reviewed the website and agreed on the following:

Keywords – No updates.

Members Area - This area will be maintained by Britpave central office from this point onwards. Regular updates to include minutes from all of the subgroup meetings, together with website hits. Unique visitor hits have reached 700 per month.

SF is to organise a meeting with Marksman to review and update the website. Review items to include items listed below:

Library – No updates.

Photo Gallery – SF & HG to gather and submit photos with descriptive text showing before, after and during stabilisation.

News Page – Jaime Norris is collecting potential news stories for a July newsletter. SF is to consider a story on standards development.

FAQ's Page – No updates.

Links Page – No updates.

Olympics and Thames Gateway Page – SF to progress the draft copy of the page on the Olympics and Thames Gateway projects. SF to ask Marksman to use generic images.

Animation - SF is to discuss the latest version of the stabilisation animation with Marksman and make the following amendments:

- Inclusion of a spreader to show how the lime is dosed.

- Investigate the possibility of a voice over.

3 **Publications**

“Basic Guide to Stabilisation” - It was agreed that the “Basic Guide to Stabilisation” will be put on hold until the John Kennedy (JK) TCC “Hydraulically Bound Mixtures for Pavements”, Britpave Applications Guides and the stabilisation animation are completed. The basic guide will outline what stabilisation is and why you should do it for the beginner.

JK documents have been circulated to the SSTG membership for comments and Bryan Magee is now responsible for completion of these documents. BM to circulate to the SSTG Promotions Committee for final comments once Gillian Bond has drafted them into Britpave format..

Case Studies - HG will chase Gillian Bond and O’Keefe to progress the O’Keefe outstanding case studies:

- Docklands University – O’Keefe.
- A6 Bedford – O’Keefe.

Gillian Bond is to be asked to create case studies from any available website material or from phone / meeting conversations with contractors.

SF / HG / Britpave central office to browse contractor websites for potential case studies to forward to Gillian Bond.

4 **Britpave Newsletter**

The next Britpave newsletter will be circulated in July. SF to compose a story on the inclusion of Soil Stabilisation within the scope of EN459-1 “Lime in Building”..

5 **Seminars**

TCC seminar dates

12 June in Leeds - “Remediation in the Northern Way”

BLA seminar on “Building with Lime” proposed for November 2007.

TCC London seminar attendance was disappointing.

6 **Any Other Business**

None

7 **Date of next meeting**

Next main committee meeting 10am on 5th September 2007 at Geofirma

Next SSTG Promotions committee suggested meeting 6pm on 4th September (venue to be agreed).
